

Dear Potential Sponsors,

The American Public Works Association exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as the national organization, but we do so close to home where members can easily take advantage of them. The Missouri Chapter offers members the opportunity to attend educational programs, conferences and equipment shows and the chance to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, storm water professionals and many others.

Missouri Chapter APWA is offering an opportunity to share in our mission and success. Annual sponsorships for 2018 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter. It also can promote relationships with clients, facilitate new relationships with potential clients and strengthen your visibility in the public works industry.
